

# DHIS2 System Administration and Analytic Tool Training

6-10 June 2022

The National Center for HIV/AIDS, Dermatology and STD (NCHADS) with financial support from US-CDC is conducting the training on DHIS2 System Administration and Analytic Tools in Kampot province. This training will be running for 5 days in hybrid mode (physical and virtual) with the 2 main objectives:

1. UCSF to lead two in-person trainings to strengthen local DHIS2 capacity in Cambodia:
  - a) DHIS2 System Administration and Maintenance for DMU staff, approximately 2 days
  - b) DHIS2 Analytics Tools for NCHADS/Programmatic staff, approximately 3 days
2. UCSF to provide any additional in-person DHIS2 technical support as needed to staff during this week

This event is honorably participated by NCHADS team leading by Dr. Ouk Vichea, Director of NCHADS, Dr. Ly Vanthy, Associated Director US-CDC, Dr. Tain Chheng, Deputy Director of Kampot Provincial Health Department, and participants from Data Management Unit, NCHADS, representation of US-CDC, EpiC-FHI360, especially facilitators from University of California Sain Francisco (UCSF) and HispVN, Viet Nam.
