CONSULTATIVE WORKSHOP ON THE REVIEW OF PREP IMPLEMENTATION

September 14-15, 2022

The National Center for HIV/AIDS, Dermatology and STD (NCHADS) with financial support from WHO and EpiC and technical support from EpiC project, invited 80 participants (PASP, RH, PrEP providers, CBOs, OWs and NGOs) in total from 4 provinces-PNP, BTB, BMC and KCM to a **consultative workshop on the review of PrEP implementation** September 14-15, 2022 at Sovannphum hotel, Kampong Chhnang province.

The **objectives** of event mainly focus on **1)** review the PrEP implementation progress, **2)** discuss the challenges and propose suggestions and **3)** discuss the way in which PrEP can do its best to contribute to the elimination of new HIV infection

An event was started by remarked from **Dr. Lim Leangngoun**, Kampong Chhnang PHD deputy director, **Dr. Chel Sarim**, Technical quality Advisor, EpiC/FHI360 and **Dr. Samreth Sovannarith**, NCHADS deputy director.

The workshop was successfully completed according to schedule, active discussion, and results, and it is anticipated that these activities would enhance the PrEP provision at their facilities and communities. The participants have also urged that this significant forum should be held each semester to provide them the opportunity to contribute, discuss, and learn for advancement.
